

## Business Breakdown Cover from the AA

Running a company with vehicles at its heart means that staying still isn't an option. Business breakdown cover from the AA will make sure your drivers get back on the road quickly – and with minimum disruption – if the worst happens. All you need to do is choose the type of cover that suits you.

### Which vehicles can be covered?

Whether you just have a single vehicle or run a whole fleet, the AA can cover your cars, vans, trucks and more – if they're 3.5 tonnes or under. If you're not sure if your vehicle would be eligible, you can call the AA on 0800 55 11 88 to check.

### What does the cover include?

You can choose from the following options for your company's vehicles:

Roadside (compulsory)	Repair or recovery to the AA's choice of appropriate local repairer.
Home Start (compulsory)	For breakdowns at or within ¼ mile of your home address.
National Recovery	Transportation of vehicle, driver and up to 7 passengers to a UK mainland address if prompt local repair not possible.
Relay Plus	Extended Relay service to include one of three alternative arrangements for driver and passengers: car hire, accommodation, or public transport services.
Accident Management	Takes the hassle out of arranging repair, recovery and insurance claims after an accident or vandalism.
European	Breakdown and recovery options for drivers in Europe (subject to territorial limits)
